Expansion Cards for Mac

JetDrive Lite 130

Introducing Transcend's JetDrive Lite storage expansion cards for the MacBook Air and MacBook Pro with Retina display. JetDrive Lite expansion cards are a quick and easy way to gain the additional space you need without adding any bulk to your MacBook.

Plug and Play

Simply insert JetDrive Lite into the card reader slot on the side of your MacBook and instantly boost your storage capacity. With up to 1TB available, you can store RAW images, 4K videos, music and more.

*JDL330 offers capacities up to 1TB.

Blazing fast

JetDrive Lite cards can achieve read speeds of up to 95MB/s. Perfect for Time Machine® backups, iTunes® libraries, or anything in-between.

Forget it's there

With a flush profile that's tailor-made for each MacBook model, Transcend's JetDrive Lite expansion cards are designed to seamlessly integrate with your MacBook.
