2.5" SSD/HDD Enclosure Kit

What do you do with the old hard drive removed from your laptop? Don't throw it away, reuse it! Transcend's 2.5" SSD/HDD Enclosure Kit comes with all the tools you need to reuse the 2.5-inch hard drive removed from your notebook. Follow the step-by-step installation guide to find useful tips and assembly instructions. The kit also features a one-touch backup function, so download the Transcend Elite software from our website to better manage your data!

One kit for all

Transcend's 2.5" SSD/HDD Enclosure Kit includes a 2.5-inch enclosure with an outer rubber case, an inner rubber shock absorber, a SATA adapter, a USB cable, a 7mm to 9.5mm spacer, a PH1 screwdriver, and three M2 mounting screws.

Shock absorbing rubber for rugged protection

Included in the kit is an outer rubber case and an inner rubber shock absorber for optimum protection against shock and vibration. If your original hard drive is only 7mm in height, a spacer is included to increase the thickness by 2.5mm, allowing your drive to perfectly fit inside the inner rubber shock absorber.

One touch for easy backup

Transcend's 2.5" SSD/HDD Enclosure Kit features a one-touch backup function enabling the express synchronization of files and folders by just one touch. Download the Transcend Elite software from our website to manage your data in a more organized way!

Note: Transcend 2.5" SATA III SSD and Elite software is required for this feature.

Accessories

2.5" SSD/HDD Enclosure Kit

Features

- USB 3.1 Gen 1 interface
- SATA III 6Gb/s adapter interface
- A 7mm to 9.5mm spacer is included
